policy

OHS&E

VCT is committed to implement and maintain Quality, Health, Safety and Environment Management System that continually improves effectiveness and performance, providing services that meet the requirements of internal and external customers, applicable standards and comply with all applicable legal and regulatory requirements.

This will be achieved by;

- Providing adequate resources to establish, implement, maintain and continually improve the QHSE Management System.
- Identifying, assessing the risks and hazards associated with Occupational Health, Safety and Environment in the workplace, and taking action to prevent, reduce or control all the foreseeable risks to as low as reasonably practicable, in accordance with the global standards, so as to ensure a safe and conducive work environment.
- Promoting environmental sustainability through control of wastes by reduction, reuse and recycling opportunities.
- Empowering employees to be responsible for their own safety and that of other's at workplace and challenge any work that is considered unsafe or not in line with this policy or laid down procedures.
- Promoting Quality, Health, Safety and Environment awareness among all employees and contract workers throughout the organization through regular trainings and appropriate programmes.
- Establishing, reviewing and reporting our QHSE performance, measured against objectives and targets in line with this policy.
- Communicating this policy to personnel at all levels within the organization and other interested parties on request.

Vir K. Kotak
Managing Director

policy

SECURITY MANAGEMENT

Visakha Container Terminal Pvt. Ltd. is committed to comply with requirements and continually improve the effectiveness of its Supply Chain Security Management System by:

- Establishing effective physical security controls in order to protect the lives of all its employees and the stakeholders and assets within the Terminal premises.
- Identifying and evaluating all security risks and establishing controls to manage and reduce any quantified risk to an acceptable level to avoid or minimize any adverse security impact on its business.
- Improving and enhancing the company's incident management, business continuity and resilience capabilities at all levels.
- Complying with all applicable statutory and regulatory security requirements directly and/or in coordination with concerned stakeholders.
- Recording and communicating the security performance throughout the organization.
- Continual improvement of security performance and processes through regular audit and review of the Security Management System.
- Promoting security awareness amongst all employees through internal training & drills relevant to specific security objectives.
- Senior Management visibly upholding the principles of this policy and integrate them throughout VCT.
